

Australian Inflammation Centres 2025 Annual Symposium (jointly held with the ASI Innate Immunity Special Interest Group)

REGISTRATION NOW OPEN: The University of Adelaide, November 10-11, 2025

Registration (free) is now open for the 2025 Annual Australian Inflammation Centres (AIC) Symposium, jointly held with the ASI Innate Immunity Special Interest Group, with support also from the Australasian Cell Death Society. This national two-day showcase event, hosted by SAiGENCI at The University of Adelaide, will provide an opportunity for inflammation, innate immunity and cell death research communities to engage, connect and enhance research collaboration.

Sessions include:

- Cell death
- Inflammation and cancer
- Infection and inflammation
- Immune cell signalling
- Emerging therapeutics

Short talks will be selected from submitted abstracts, and there will also be a poster session and networking opportunities.

For **registration and abstract submission**, as well as further symposium information and program updates, please visit the symposium website at: <https://bit.ly/4leuXNJ>

When

10–11 November, 2025

Hybrid Event

Join in-person or online (free registration)
